

Facilitator Trainer Team Member Position Description

We're on the search for exceptional people who want to make their mark and become one of our next generation Facilitator Trainers.

Mayibuye Performance Troupes are a youth led, youth ran initiative that delivers weekly workshops to disadvantaged young people through a curriculum of dance and life skills. Our Youth Committee and facilitators are a group of inspiring and inspired young people aged 18-25 who lead the planning and implementation of our Mayibuye Performance Troupe programs.

Cultural Infusion is currently recruiting volunteer facilitator trainers to help develop the skills of our Youth facilitators and Youth committee at one off training events and at our annual workshops and conferences.

By getting involved, you will;

- Become part of the Mayibuye family and work with a diverse and passionate community of like-minded people
- Make significant impact in the lives of disadvantaged young people
- Gain practical experience working with young people from a variety of different cultural and socioeconomic backgrounds
- Be a contributor to our programs with additional flexibility and a lesser time commitment
- Build your personal and professional networks within the community arts and youth development sector

Want to join the facilitation training team?

Cultural Infusion is looking for skilled individuals with the following;

- Passion for performing arts and/or community development
- Previous experience working with young people from diverse backgrounds
- Possession of or willingness to obtain a Victorian Working with Children Check
- Experience in delivering performing arts and/or youth development training
- Ability to commit to the position for a minimum of 1 year

Time commitment: On our Facilitator Training team you will have complete flexibility with volunteering your time. You will be able to pick and choose what events and opportunities you would like to help out with.
