# ABOUT US

*Cultural Infusion staff with United Nations Alliance of Civilizations delegates, August 2018*

Cultural Infusion is Australia's leading culture-in-education provider, founded in 2003 to promote intercultural harmony throughout Australia and worldwide. Our vision is of a world that is culturally and socially cohesive, one that values the richness of our collective cultural heritage. We have always advocated the importance of intercultural education, a sentiment that is now being echoed across the educational sector through the inclusion of intercultural understanding as a key competency in the Australian Curriculum.

In 2018 Cultural Infusion became the first organisation in Australia to officially partner with the Australian National Commission for UNESCO who have recognised and endorsed our work in education.

Our work has won 15 international awards, including the United Nations Alliance of Civilizations Intercultural Innovation Award. We look forward to furthering our educational impact into 2019 with the launch of a new school program centering around our multi-award winning suite of educational apps 'Joko's World'. The program 'Travels with Joko' presents origins of musical instruments from around the world through song and narrative and is now available for bookings.

We thank you for your ongoing support!
